October 28, 2014

```
> ques3<-source("Question3.R")  
> ques3
```

```
$value
```

```
$visible  
[1] TRUE
```

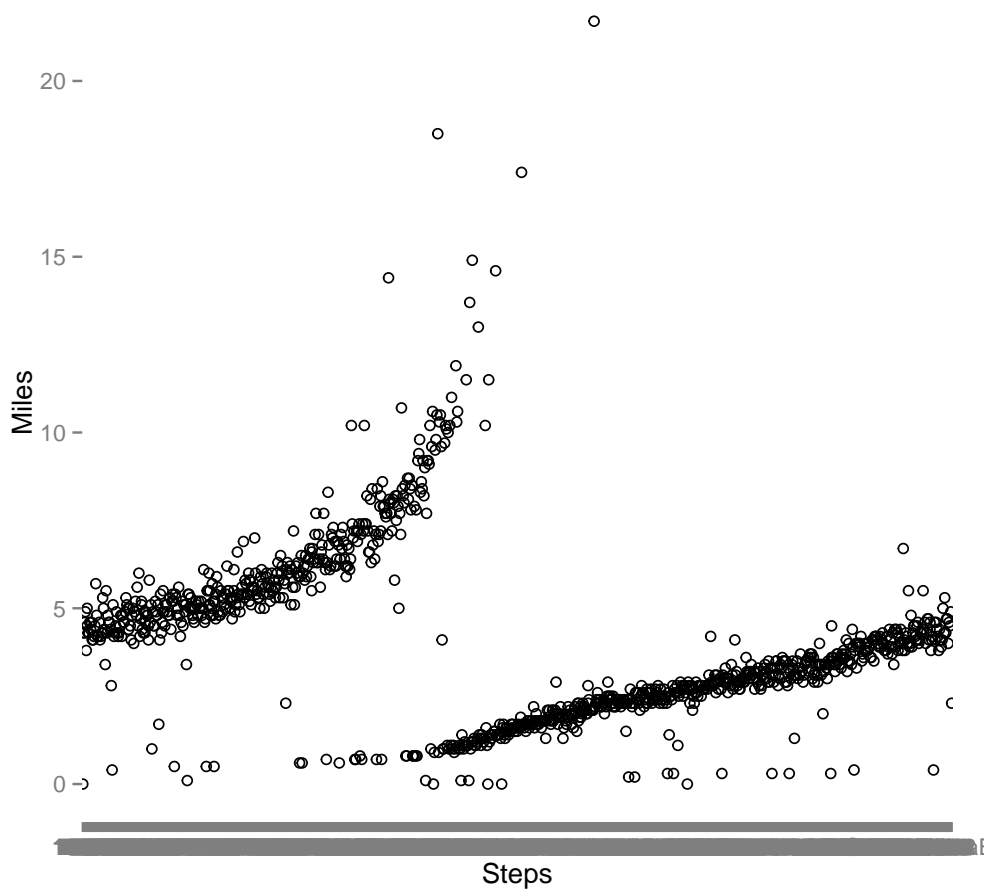

The graph is showing the steps walked and the miles covered in a particular day.

```
> library(devtools)
> df<-source_url("https://dl.dropboxusercontent.com/u/38587679/Question31.R" )
> df
```

```
$value
```

```
$visible
[1] TRUE
```

Steps to Miles Scatter Graph

This is the same graph with inverted axis showing same stats.
